FOR IMMEDIATE RELEASE

## **RANJIT KOHLI NAMED COO OF CONSULT2COMPLY**

**HERNDON, Va., August 11** - Steve Crutchley, Founder and CEO of Consult2Comply, a leading provider of Governance Risk and Compliance solutions, announced that Ranjit Kohli has been named Chief Operating Officer.

As COO, Ranjit will be responsible for operations, business development, strategy and the project management office.

“We are delighted to have Ranjit on our executive team,” said Crutchley. “I have a great deal of confidence in Ranjit’s skills and leadership ability. His business acumen combined with expertise in process, project and general management along with an understanding of Governance Risk and Compliance make him uniquely qualified for this role.

“Moreover, Ranjit shares our dedication to assisting organizations develop, implement and manage strategies to achieve and maintain compliance to regulations, standards and best practices by utilizing a combination of our consulting expertise and powerful tools, which include our just-announced The Compliance Mapper, to accomplish that goal.

“Ranjit’s impressive and successful track record of utilizing a mix of business and technical skills to provide leadership and management in a global environment will also benefit our clients. Ranjit has twice been a CEO, and held key positions in marketing, product and process development, and business development at Fortune 500 companies.

“He understands the interplay between business, regulations and standards, and can transfer that knowledge to each of our engagements, assisting our client organizations to become not only compliant, but better managed,” Crutchley concluded.

Prior to joining Consult2Comply, Ranjit was Founder and CEO of KMS BPO Solutions, which he sold to a successful privately-held Indian group. Prior to KMS, Ranjit was CEO of Acusign, a Verisign Affiliate and Gold Partner in India.

Ranjit has held Senior Positions at Verisign, where he led the Business IT Consulting Practice and Project Management Groups, and at GlobalOne where he ran product Development for all Voice and Data Products.

Ranjit has over sixteen years of business and management experience in a variety of areas including Telecom, Aviation, IT Security and PKI, Business Process Outsourcing. A process expert and PMI certified Project Manager, Ranjit has intimate knowledge and understanding of the challenges facing large and small enterprises in governance, risk, compliance and managing day-to-day operations. Ranjit holds a Masters Degree in International Transactions from George Mason University, a Masters in Project Management from George Washington University, and a Masters in International Economics and Policy from Oxford University.

#### About Consult2Comply

Consult2Comply delivers innovative products and consulting services to organizations to assist with Governance, Risk and Compliance (GRC). Consult2Comply draws on its subject-area experience, expertise and global perspective to deliver comprehensive compliance solutions and strategies which enable their clients to achieve, manage and maintain compliance to National and International Regulations (Sarbanes- Oxley/HIPAA/Basel 2), Standards (ISO/IEC 27001/20000/38500 and BS25999) and Best Practices. The company has developed a set of industry leading tools that offer high functionality and exceptional value to help simplify an organization's assessment, implementation, and management of GRC, resulting in significant savings in time and expense. With headquarters in Herndon, Virginia, an office in the United Kingdom, and a global network of partners and affiliates, Consult2Comply can support simple or the most complex GRC engagements.
